Te Whangai Trust 2016 Plant Catalogue

Te Whangai's 4 nursery platforms, located in Miranda (Hauraki/Waikato), Pukekohe, Aka Aka and Glenbrook South Auckland specialises in the supply of large scale re-vegetation and landscaping native plants.

Each of our nursery's eco-source native plants from the direct area where the nursery is located. Miranda sources plants from the Coromandel, Hauraki and Waikato areas, Glenbrook and Pukekohe from Auckland and Hunuas. Our Aka aka nursery is set up to cater for large scale projects and will have a capacity of over 1 million plants.

Please drop John a line for a price list, quotes or any queries you may have.

Te Whangai also provides a number of services:

- Free advise/Consultancy/Quoting
- Project Management
- Contract growing
- Site preparation
- Planting
- Maintenance/releasing
- Weed removal
- Ask us about our project wide service

Below is our native plant list with species we have available for 2016 and their availability from each region. We only have very limited stock numbers for some species so to avoid disappointed please order early.

Please be advised that all plants priced below are for Pot14/1.3l and PB3/1.5l Pots and are GST EXCLUSIVE. We do have PB3/4 and large plants if required. All plants are hardened to the open elements ensuring low mortality rates when planted out.
